

CELEBRATING 25 YEARS

THE PRE-EMINENT FORCE IN THE INTERNET INDUSTRY.

Since 1996, as old as the internet!

Cyber Gear is an award winning web design company + strategic digital agency. We're part of the digitally-first first that's improving economies, shifting industries, and creating businesses just for you.

Positioned as an industry leader, Cyber Gear provides state-of-the-art internet solutions to a large number of multinational, government and private sector organisations.

Cyber Gear services include design of knowledge portals, intranets, e-CRM, e-Business, CMS, e-commerce & website applications, Social Media, IoT and e-marketing campaigns.

Cyber Gear has signed contracts with leading retail, educational, financial and healthcare sector organisations for implementing web based projects. Its partners in expanding your business, every digital solution we bring to the table is backed by intelligent strategy - to enhance your brand presence and build an online community.
