PRESS RELEASE

ABOUT PRESS RELEASE NETWORK

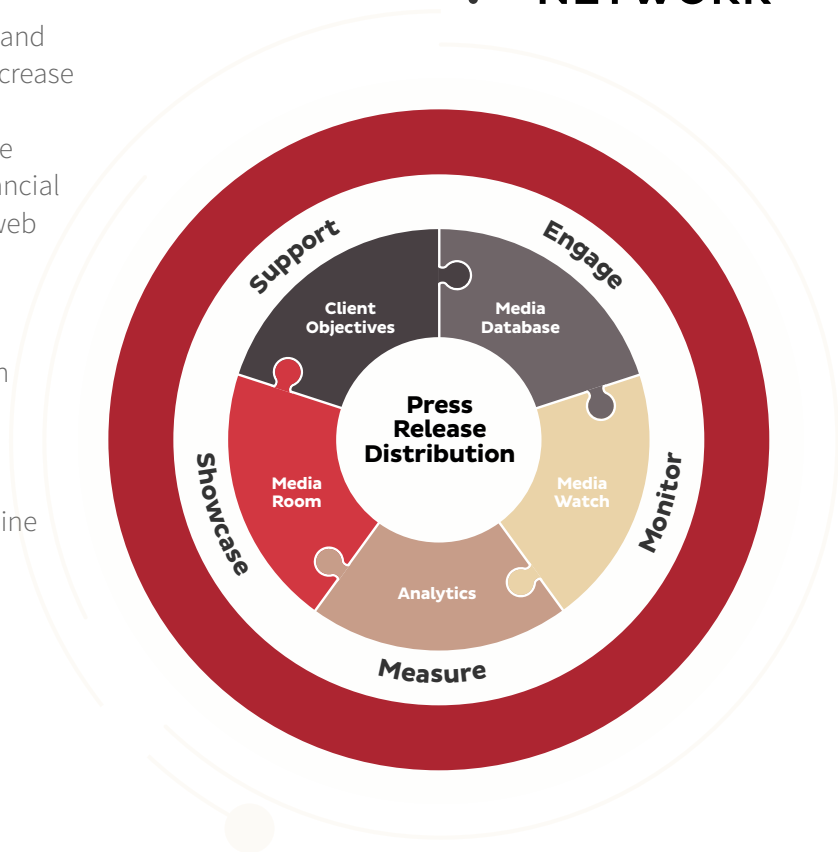

Press Release Network is a press release distribution and online media monitoring service that helps clients increase their online visibility and web presence. With over 2 decades of experience, PRN Wire continues to provide outstanding syndication to leading news outlets, financial markets, disclosure systems, investors, information web sites, databases, bloggers, social networks and other audiences.

We offer geographic and industry specific distribution options so you can customize your order and reach your intended audience in a cost effective manner.

Whether it is engaging new audiences, increasing online visibility, or targeting specific media, Press Release Network is dedicated to delivering a truly unique and personal experience.

Our team continuously strives to meet the needs and concerns of every client. We offer a meticulous, personalized approach to each unique situation and provide detailed distribution analytics.

OUR OBJECTIVE
